

## 8-7, 3-1 CUNYAC CUNYAC Tournament Champions

Since 2004, the College of Staten Island's women's soccer team has done nothing but impress those around them. With the same crew they had in the 2007 season, the team only got better with the addition of some new talent. The team finished with an 8-7 overall record while taking their fifth straight CUNYAC Championship title.

The Dolphins started their season in the Scarlet Raiders Classic Tournament hosted by Rutgers-Newark where they were shut out in both games against New Jersey City University and the host school. After being defeated by New York University, 7-0, the Dolphins finally scored their first goal of the season in an 8-1 victory of Mount St. Vincent. From there, CSI kicked off their CUNY Athletic Conference with back-to-back wins over CCNY, 1-0 and 5-0. The rest of the Dolphins five wins during the season were shut outs.

After taking 24 consecutive wins in the CUNYAC since the program began, the Dolphins took their first loss to Medgar Evers during mid-season. It proved to be a wake-up call for the Dolphins, as CSI finished the year with five straight wins, including a 1-0 win in the championship over the same Cougars team they lost to. CSI defender Kelly Kenny was named Most Valuable Player of the game after clearing two balls off of the goal line and having the assist for the game's lone goal.

Graduated senior Tina Bellocchio left her mark on the record books, tallying 342 saves in her three year tenure at CSI. Fiosa Begai also left a legacy as CSI's all-time scoring leader with 53 goals over four years.

The Dolphins will look to compensate for four key players that graduated as they continue to build and defend the already spectacular reputation they have in 2009.

**John Guagliardo**  
**Head Coach**

As the College of Staten Island's first and only women's soccer coach, John Guagliardo has already enjoyed a host of great achievements, having collected a total of seven championships over his first five years at the helm, compiling an overall record of 52-35-2 (.584).

A coach for nearly two decades, Guagliardo's most notable tenure was as the head coach at Notre Dame Academy on Staten Island, where he spent 14 years. The team won multiple division titles, city titles, and was a state finalist in 2003. Guagliardo has also guided numerous travel programs, most recently coaching the Staten Island Select Under-17 squad to a semifinal berth in the USA Cup, where the squad fell to eventual-champion team Canada, 1-0.

Guagliardo has taken the same approach at CSI. Rather than establishing set goals, he believes that a team must continuously work towards challenging itself to achieve more and more, and his teams have already earned five CUNY Championships in as many years. He preaches a family environment and a passion for the game to his recruits that he hopes will lead to even greater successes.

Currently, Guagliardo doubles as a building supervisor for the campus' Sports & Recreation Center and works membership services for the facility as well, making him a familiar face within the confines of the athletics department.
